# **SECTION 2. HAZARDS IDENTIFICATION**

# GHS classification in accordance with the OSHA Hazard Communication Standard (29 CFR 1910.1200)

Not a hazardous substance or mixture.

#### **GHS** label elements

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

#### Other hazards

None known.

# SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Substance / Mixture : Mixture

Chemical nature

: Synthetic hydrocarbon oil

# R-300

| Version | Revision Date: | Date of last issue: -           | Print Date: |
|---------|----------------|---------------------------------|-------------|
| 1.0     | 09/02/2021     | Date of first issue: 09/02/2021 | 09/03/2021  |
|         |                |                                 |             |

# Components

No hazardous ingredients

# **SECTION 4. FIRST AID MEASURES**

| If inhaled  | : | Remove person to fresh air. If signs/symptoms continue, get<br>medical attention.<br>Keep patient warm and at rest.<br>If breathing is irregular or stopped, administer artificial respira-<br>tion. |
|---|---|--|
| In case of skin contact                                     | : | Remove contaminated clothing. If irritation develops, get med-<br>ical attention.<br>In case of contact, immediately flush skin with plenty of water.  |
| In case of eye contact                                      | : | Rinse immediately with plenty of water, also under the eyelids,<br>for at least 10 minutes.<br>If eye irritation persists, consult a specialist.   |
| If swallowed  | : | Move the victim to fresh air.<br>Do NOT induce vomiting.<br>Rinse mouth with water.  |
| Most important symptoms and effects, both acute and delayed | : | No information available.<br>None known.   |
| Notes to physician  | : | No information available.  |

### **SECTION 5. FIREFIGHTING MEASURES**

| Suitable extinguishing media                  | : | Use water spray, alcohol-resistant foam, dry chemical or car-<br>bon dioxide.  |
|---|---|--|
| Unsuitable extinguishing media                | : | High volume water jet  |
| Hazardous combustion prod-<br>ucts            | : | Carbon oxides  |
| Further information                           | : | Standard procedure for chemical fires.   |
| Special protective equipment for firefighters | : | In the event of fire, wear self-contained breathing apparatus.<br>Use personal protective equipment.<br>Exposure to decomposition products may be a hazard to<br>health. |

# SECTION 6. ACCIDENTAL RELEASE MEASURES

| Personal precautions, protec- :<br>tive equipment and emer-<br>gency procedures | Evacuate personnel to safe areas.<br>Use personal protective equipment.<br>Refer to protective measures listed in sections 7 and 8.  |
|---|--|
| Environmental precautions :   | Try to prevent the material from entering drains or water<br>courses.<br>Prevent further leakage or spillage if safe to do so.<br>Local authorities should be advised if significant spillages<br>cannot be contained.                       |
| Methods and materials for : containment and cleaning up                         | Contain spillage, and then collect with non-combustible ab-<br>sorbent material, (e.g. sand, earth, diatomaceous earth, ver-<br>miculite) and place in container for disposal according to local<br>/ national regulations (see section 13). |

### SECTION 7. HANDLING AND STORAGE

| Advice on safe handling     | : | For personal protection see section 8.<br>Smoking, eating and drinking should be prohibited in the ap-<br>plication area.<br>Wash hands and face before breaks and immediately after<br>handling the product.  |
|-----------------------------|---|--|
| Conditions for safe storage | : | Store in original container.<br>Keep container closed when not in use.<br>Keep in a dry, cool and well-ventilated place.<br>Containers which are opened must be carefully resealed and<br>kept upright to prevent leakage.<br>Store in accordance with the particular national regulations.<br>Keep in properly labelled containers. |

### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

| Components with workplace control parameters |     |  |  |  |  |
|--|-----|--|--|--|--|
| Contains no substances with                  | occ | upational exposure limit values.                   |  |  |  |
| Engineering measures                         | :   | none   |  |  |  |
|  |     |  |  |  |  |
| Personal protective equipm                   | ent |  |  |  |  |
| Respiratory protection                       | :   | Not required; except in case of aerosol formation. |  |  |  |
| Filter type                                  | :   | Filter type A-P                                    |  |  |  |
| Hand protection                              |     |  |  |  |  |

### 49 CFR

Not regulated as a dangerous good

# **SECTION 15. REGULATORY INFORMATION**

### EPCRA - Emergency Planning and Community Right-to-Know Act

# **CERCLA Reportable Quantity**

This material does not contain any components with a CERCLA RQ.

### SARA 304 Extremely Hazardous Substances Reportable Quantity

This material does not contain any components with a section 304 EHS RQ.

### SARA 302 Extremely Hazardous Substances Threshold Planning Quantity

This material does not contain any components with a section 302 EHS TPQ.

| ARA Hazards |
|-------------|
| 5           |

# SARA 313 : This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

### **Clean Air Act**

This product neither contains, nor was manufactured with a Class I or Class II ODS as defined by the U.S. Clean Air Act Section 602 (40 CFR 82, Subpt. A, App.A + B).

This product does not contain any hazardous air pollutants (HAP), as defined by the U.S. Clean Air Act Section 112 (40 CFR 61).

This product does not contain any chemicals listed under the U.S. Clean Air Act Section 112(r) for Accidental Release Prevention (40 CFR 68.130, Subpart F).

This product does not contain any chemicals listed under the U.S. Clean Air Act Section 111 SOCMI Intermediate or Final VOC's (40 CFR 60.489).

#### **Clean Water Act**

This product does not contain any Hazardous Substances listed under the U.S. CleanWater Act, Section 311, Table 116.4A.

This product does not contain any Hazardous Chemicals listed under the U.S. CleanWater Act, Section 311, Table 117.3.

This product does not contain any toxic pollutants listed under the U.S. Clean Water Act Section 307

This safety data sheet applies only to products as originally packed and labelled. The information contained therein may not be reproduced or modified without our express written permission. Any forwarding of this document is only permitted to the extent required by law. Any further, in particular public, dissemination of the safety data sheet (e.g. as a document for download from the Internet) is not permitted without our express written consent. We provide our customers with amended safety data sheets as prescribed by law. The customer is responsible for passing on safety data sheets and any amendments contained therein to its own customers, employees and other users of the product. We provide no guarantee that safety data sheets received by users from third parties are up-to-date. All information and instructions in this safety data sheet have been compiled to the best of our knowledge and are based on the information available to us on the day of publication. The information provided is intended to describe the product in relation to the required safety measures; it is neither an assurance of characteristics nor a guarantee of the product's suitability for particular applications and does not justify any contractual legal relationship. The existence of a safety data sheet for a particular jurisdiction does not necessarily mean that import or use within that jurisdiction is legally permitted. If you have any questions, please contact your responsible sales contact or authorized trading partner.
