**Extreme Duty CLP - Aerosol is designed to clean, lubricate and protect firearms. It is great for use in general shop and home applications. Its powerful spray penetrates and cleans all types of firearms.**

**Cleans:** Our product dissolves powder, residue and contaminants and effectively cuts rust on neglected firearms.

**Lubricates:** Our product contains effective anti-wear additives to reduce friction and wear, which extends the life of the firearm and its runtime. Our unique Lucas Oil additive system provides lubrication to all of the moving parts on firearms and minimizes repairs and failures.

**Protects:** Fast drying formula is designed to protect against rust and corrosion during long storage periods and minimizes fingerprints. Our product effectively repels water.

**When applying the product always make sure that firearms are unloaded. Apply the product and remove contaminants with swab, patch or fabric. Contains NO Chlorine and Fluorocarbons.**

**Also comes in a 4 fluid ounce bottle for ease of use with mess free applicator.**
